Please consider becoming a host, with a couple of friends at one of the Sunday Community Coffees where we're " Seeking Volunteers". As you can see these Community Coffees raise funds for specified event and many of them rains funds towards the on-going maintenance and renewal within the hall and environs. If you would like to host one of the Community Coffees, please bid for one of the empty 'Seeking Volunteers' date slots- let me know by email to: hytheasst1@rcaos.org.uk. If anyone spots an obvious error with the dates (such as an additional phantom Sunday) – please let me know and I'll fix it.
