Dear Union of Catholic Mothers,

I am writing on behalf of everyone at the Rainbow Centre to thank you and your congregations for participating in the knitting event and for your sponsorship. With your generous donation of £480.50, the event's total is £4428, and it is expected to go up as some sponsors are still to pay in, plus Gift Aid; what a fantastic achievement in the course of an afternoon! I hear it was well attended and a joyful occasion. We thank Sara Adams and her colleagues for organising it again this year, and we hope to hold the event again next year.

Your donation will help us run our services and help those in need in our community. Once again, thank you, and I wish you every blessing.

Yours sincerely,

Mary Stredwick
Chief Executive
